13) The revised scales of pay sanctioned for Sanitary Inspectors in Government Order No M.8687-703/P.H.118-45-6 dated 3-2-1947 applies to all the Sanitary Inspectors in the State, as the cadre of the Sanitary Inspectors has been provincialised and all the Sanitary Inspectors whether working in the local bodies or in Government Department belong to one Unit i.e. the Department of Public Health

14) Under the above circumstances the question of applicability of the revised grades to the Sanitary Inspectors of the Bangalore city Municipality does not arise

15 As the whole establishment of Sanitary Inspectors is treated as one Unit, an allocation statement will be sent to Government for sanction in due course from this office, on receipt of sanction of which, the present incumbents in the local bodies and the Department will be eligible for their initial pay in the revised grade.

4 In para 14 supra, the Director of Public Health has expressed the opinion that the question of applicability of the revised grades to the Sanitary Inspectors of the Bangalore City Municipality does not arise In no doubt the sanitary inspectors of the Bangalore city Municipality are borne on the Provincial Cadre of the Health Dept But from the Audit point of view it seems necessary to revise the grades of these officials of the city Municipality to be on a par with the grades obtaining in the Health Department, so as to facilitate exchange of hands, grant of increments etc
